

**Herculaneum Community Advisory Group**  
**September 21, 2004 Agenda**

**Ground Rules**

- Each person has the freedom to express concerns and opinions. To ensure this, all comments are to be addressed to the facilitator or presenter.
- Time may not permit people to say all they want, so to be fair, speakers will number off to determine order of comments.
- Try to express concerns without being repetitive.
- Allow the facilitator to move the agenda forward after the issue has been addressed.
- The meeting format is designed so each person can speak directly to the person who can best address concerns and opinions. Speak only when called on and do not interrupt a speaker.
- Personal or hurtful remarks are not acceptable.
- Paper will be provided at these meetings so anyone who is more comfortable writing their questions or suggestions can do so.
